FOR IMMEDIATE RELEASE

Interstate 80 in Loomis to Close in Both Directions Overnight June 2 and June 3

Detours Will Be in Effect in South Placer County

LOOMIS – The California Department of Transportation (Caltrans) is alerting motorists that Interstate 80 will be closed overnight in both directions in south Placer County as crews raise the King Road Overcrossing.

Motorists can expect an eight-mile detour during the closure, scheduled to start at **11 p.m. Tuesday, June 2 and end at approximately 5 a.m. Wednesday, June 3.** The Interstate will close again from **11 p.m. Wednesday, June 3, until approximately 5 a.m. Thursday June 4** for the “Raise80” project, which is increasing the vertical clearance of nine freeway overcrossings on Interstate 80 in south Placer County. Motorists are advised to allow extra travel time for the detour.

The King Road Overcrossing in Loomis is the sixth structure to be lifted. The King Road Overcrossing over I-80 will close on **Sunday, May 31 through Saturday, June 20** for overcrossing work. Weather or other unexpected events may prolong the work or cause construction activities to be rescheduled.

The nine overpass structures being raised on I-80 are between Magra Road and Loomis in Placer County. Six of the structures will have the bridge deck raised approximately two feet, and three of the structures will have the roadway below lowered to achieve the necessary clearance. When complete, all structures will meet today’s federal clearance standards for high-profile vehicles and national defense, eliminating the need for most high-profile vehicles to use local roads as detours.

Overnight Detour Information:

Eastbound I-80 all traffic:

- Take the Sierra College Boulevard off-ramp toward Sierra College Boulevard.
- Take Sierra College Boulevard north toward Taylor Road.
- Take Taylor Road northeast toward the I-80/Highway 193 interchange.
- Head east on I-80 at the I-80/Highway 193 interchange.

Westbound I-80 all traffic:

- Take the Taylor Road off-ramp toward Taylor Road.
- Take Taylor Road southwest toward Sierra College Boulevard.
- Take Sierra College Boulevard south toward the Sierra College Boulevard interchange.
- Head west on I-80 at the Sierra College Boulevard interchange.
